Youth Development Program U8 - U14

- NSA focuses on a player's individual soccer development, emphasizing soccer fundamentals. As players mature, a greater understanding of team tactics and strategies, along with continued personal development is emphasized. Players graduate to the HS program and are trained by a new coaching staff.

Premier Program U15 - U18

- NSA has **Competitive Teams** and **Showcase College Bound Teams**. This allows a player to choose the type of team depending upon whether they want to play college soccer. Showcase teams are comprised of highly motivated college bound players that attend national tournaments. Competitive teams still allow for top quality players to receive excellent training and attend local and regional tournaments.
- NSA's High School Program has nationally ranked teams that win national tournaments. Their reputation allows a preferred status when entering teams into tournaments. Tournaments that NSA participates in are noted above.
- NSA is a strong advocate for its college bound players and produces comprehensive player profiles.
